CJAM FM IS MOVING TO 99.1 FM

At midnight on Monday October 5th CJAM will cease broadcasting at 91.5FM and begin the installation of a new antenna. Later that week CJAM will begin a new era of community radio at 99.1FM. The only thing changing is the frequency! CJAM will continue to broadcast the unique blend of hyper-local alternative radio that you've come to expect from Windsor's only community radio station. Mark your calendars and set your tuners for 99.1 FM!
