

PSYCHOLOGY CHAIR'S CONFERENCE ROOMS
BEHAVIOURAL SCIENCES BUILDING - ROOM 163
4700 KEELE STREET
TORONTO ON M3J 1P3
416 736 5116

The first set of directions are for those who are familiar with the campus entrance and offers various parking garages.

The second set of directions are if you are driving and **not** familiar with the campus. We have directed you to only one parking garage.

First set:

INSTRUCTIONS TO YORK LANES

Enter the campus from KEELE STREET, at the YORK BLVD entrance. This is one light south of Steeles or the third light north of Finch. Proceed to the first STOP sign, turn RIGHT, go to the next stop sign, turn LEFT. This street is called VANIER LANE. This takes you to the York Lanes Parking structure. Take a ticket and the bar will go up. You must keep the ticket with you to pay on your way out. There is a pay machine on the stairs. If it is not working properly just take it to the attendant on your way out. When you arrive, as you leave the parking structure you will practically be in York Lanes. Either go thru York Lanes or walk along the outside. Go West, or to your right. Behavioural Science Building BSB is a small building 4 stories high, at the end of York Lanes, it is almost hidden. If there is a problem please call the Chair's office 416 736 5116.

INSTRUCTIONS TO THE STUDENT SERVICES PARKING GARAGE

Enter the campus from Keele Street, second light south of Steeles at the POND ROAD entrance. Going South, Turn Right on to Pond Road, and at the first little street turn right, it will take you to the Parking Garage. (If you miss it go straight to the traffic light and turn right, and then right again). When you go in to park, take a parking chit from the machine. Keep it with you. You will need to pay on your way out. After you park, when you leave the building, walk north, pass the Schulich Bldg, cross at the stop sign and head towards York Lanes. Keep going to the end of York Lanes, and just before you reach Vari Hall or the Ross Bldg, our building, BSB or Behavioural Science Building is hidden in the corner. It's only 4 stories high and can easily be missed. If there is a problem please call the Chair's office 416 736 5116.

An alternate way to find us is to come out from the Parking Garage, go North to the next bldg which is Schulich, cross the street and walk all along the inside tunnel alongside the Accolade bldg. Go all the way down until you can go no further, turn right, come out of the inside area, pass Vari Hall, and you will see Behavioural Sciences Bldg straight ahead, practically attached to Vari Hall. It is tucked away in the corner.

INSTRUCTIONS IF YOU GO TO YORK LANES AND IT IS FULL AND YOU WANT TO GO TO THE STUDENT SERVICES GARAGE

Drive past the attendant. Turn right to exit the parking structure. Turn Right at the stop sign. Pass the next stop sign, York Blvd. Keep going straight. Pass Schulich on your left, pass that stop sign. Just after the stop sign, you will come to a little street on your left, between Schulich and the Student Services Bldg. Turn in there. It will take you to the Student Services Parking Structure. If you miss that little street, go to the traffic light. Turn Left. Then at the very next street, turn left again. It will take you back to the parking structure.

There is another parking garage - Arboretum Parking Garage. See below.

Second set:

DRIVING:

From Highway 401

- Take Hwy. 401 to Keele Street
- Exit at Keele Street and go north
- Follow Keele Street north of Finch Avenue (the campus is on your left)
