Register for SOA Exams

- Prometric is the testing group that runs the computer based SOA exams
- To register for either “pencil and paper” or “computer based” exams go to https://www.soa.org/Education/Exam-Req/Registration/Exam-Registration.aspx#
Comparison of CBT vs Pencil and Paper

1. CBT gives immediate Pass/Fail result (unless new)

2. Pencil and Paper can be written at U of W, but takes eight weeks to get results (that’s a LONG time)

3. Pencil and Paper is slightly cheaper, and allows beverages (coffee, pop)

4. Closest CBT is Detroit (need visa). Closest Canadian CBT site is in London. Also Toronto. Must schedule early. Exam dates form a one week window.

What the program is not:

• It is not a research based degree

What the program is:

- It is a challenging course based program
- It provides useful preparation for SOA exams.
