HEADNOTES

A Message For All Windsor Law Students:

Please join us for a pizza lunch generously sponsored by McCarthy Tétrault in the Conference Room at noon on Monday November 22nd.

A representative from the Heart and Stroke Foundation as well as from counseling services will be making a presentation about stress and stress management...good timing, eh?

University of Windsor: A Degree Of Difference:

This year the Students' Law Society has undertaken to review in detail the performance of our Law School and provide recommendations in a uniquely student driven report to be completed and released in March 2005. The committee intends to focus on several areas of the Law School including the facility, use of technology, academic and career planning, and the issues surrounding our reputation and alumni development. In order for this initiative to be successful we will be asking for the participation of Students, Faculty, Staff, and others in various formats such as focus groups, town hall meetings, and surveys. If you would like to become involved with this committee please contact the SLS Council.

A CALL FOR TALENT...

Yes. It's that time of the year where you need to start thinking about your talent. The annual Court Jesters Talent Show is coming next semester. This is early notice for all you keeners who need the time to practice and brush up on their talent. The type of acts we are looking for include: MUSIC, COMEDY, DRAMA, DANCE and CULTURAL EXPRESSION. Be creative!!! Let's make this year's talent show an event to remember!! For further information: talk to Nick, Daniela and Saleema or e-mail us at lawtalent@hotmail.com

"Are you a parent? Trying juggle law school and your family?"

Come for a "time out" and meet other students in the same boat. Take some time for yourself and drop in to meet other Windsor Law Parents over coffee and treats. Give your ideas for future family activities, talk to others about what types of support you could use to make your life easier or just come to socialize!

LEGAL ASSISTANCE OF WINDSOR

Didn't get all the courses you wanted? Worried about articling and summer job qualifications?

It's not too late! Why not consider putting your legal education into practice in a poverty law setting? The Clinic Practice Program at Legal Assistance of Windsor offers unique full-time placement opportunities to upper year law students in a downtown community legal clinic. This year, the clinic has limited openings in the Winter Semester 2005 for second and third year students.

Contact Prof. Voyvodic at 253-3000 ext. 2979 to inquire

Attention all Smokers:

Those of you who enjoy a much deserved cigarette outside of the law building will have noticed that you are now requested to stand at least 20 feet away from the front of the law building when smoking. We ask that you please respect this request. We are working towards a uniform and enforceable smoking policy. If you would like more clarification or have any comments on this please contact Kai Brown at slsp@uwindsor.ca
